Chums Inc. Project Goals

National Chums Inc. Initiatives (Past 4 Years) 2021-2025

Under the leadership of National President Chum Barbara Neville and National Project Committee Chair Chum Terrie Hylton, the Chums organization has continued to make a lasting impact through its national initiatives.

- **“Healthy 4 Me” Initiative** – Each year, chapters across the country implemented at least one activity centered around the four core themes: Mental Health, Nutrition, Physical Activity, and Oral Health. These programs provided education, resources, and engagement opportunities to strengthen community well-being.
- **Chums National Month of Service (September)** – Dedicated to service, September became a time for all chapters to focus on projects that address one or more of the “Healthy 4 Me” themes. Initiatives included providing food resources, promoting nutrition, and creating awareness around mental, physical, and oral health.

First AME Church Pasadena \$1850 Donation – July 22, 2025

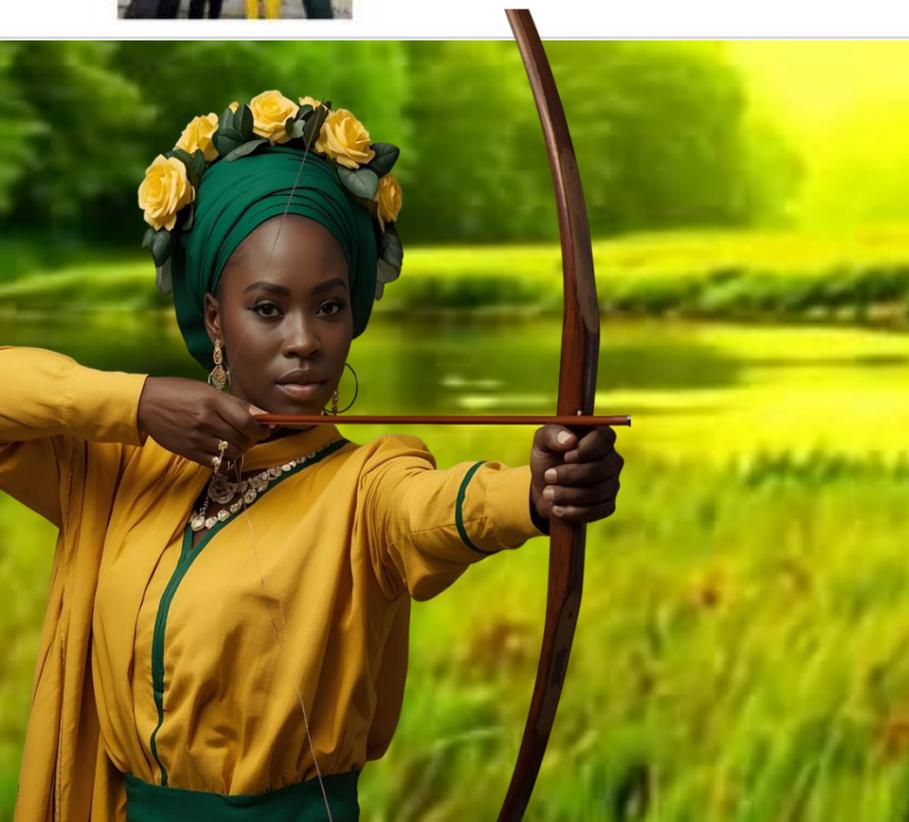

On June 22, 2025 The Los Angeles Chapter of Chums donated \$1,850 to First AME Church at their 9AM service. The donation was earmarked for families with children who lost their homes in the Eaton fire. The pastor and congregation applauded in appreciation and gave a tour of their "boots on the ground," support operation, which includes daily meals, laundry services, recovery workshops and professional resources (i.e. attorneys, insurance adjusters, expedited rebuilding permits). We are grateful for the National Chum President and other national board members' contributions.
