

# Celebrating Women's History Month

## THE INTRODUCTION

This Women's History Month, the National PR Committee wants you to tell your stories of how Chums, Incorporated has been a part of your own personal history!

## THE PROJECT

We're asking the women of Chums to submit via email, a voice recording answering one of five questions (also include how long you have been a Chum), and a photo to the NPR Ambassador for your region or to our NPR Chair, Chum Viola Burton - Mitchell directly. We will accept your submissions and post your answers on our National Facebook & Instagram pages starting Monday, March 17th until Monday, March 31st.

## THE QUESTIONS

- What was your path to becoming a Chum?
- In what ways has the sisterhood and camaraderie of the women in Chums, Incorporated impacted your life overall?
- Has being a Chum had any influence on your leadership journey and if so, how?
- What three words would you use to describe your experience as a Chum?
- Why do you stay a Chum?

**Fierce  
& Fearless**  
Chums, Incorporated
